The objective of these regulations is to provide for a framework for the election of Deans as envisaged in JOOUST Statute XLIII (1) and (2), and to provide for matters connected thereto.

## Preamble

Deans provide Academic and administrative leadership within the School. They play pivotal role in the overall strategic leadership of the University, and are members of the Senate ad and senior management team. A dean shall not hold any other office within the university during the period of his/her Deanship. They shall however remain responsible for all issues that are happening within their schools and as such they shall be held responsible for the happenings thereon.

All persons contesting for the position of the dean shall be deemed to have read and understood the job description for a person occupying the office of a dean.

The following regulations and procedures will apply in the election process of a Dean.

## Eligibility

のないでは、

 No person shall be eligible for election if such person is serving a second term of two for a continuous terms as a Dean continuous terms as a Dean.

- person shall not become eligible for election until six complete Years have elapsed since such a percon reason to be noon Where a person previously served as a Dean but has alfeady ceased to be Dean, such a week ことになるとないとないないとなるとない such a persón ceased to be Dean
- Nominations for School Dean should be from Academic staff from within the School mean concerned, and proposed and seconded by a member of the Academic staff from within Ś the school electorate.
- A person shall be eligible to vie for the position of the Dean if he/she is qualified to hold a public office under Chapter six of the Kenyan Constitution. 4

## 5. Where

the School fails or is unable for whatever reason to elect a Dean; э.

no person from within the School is eligible for election as is provided in statute XLIII (2) of this procedures; Ь.
