

STEP BY STEP PROCEDURE FOR ONLINE VOTING

Objective:

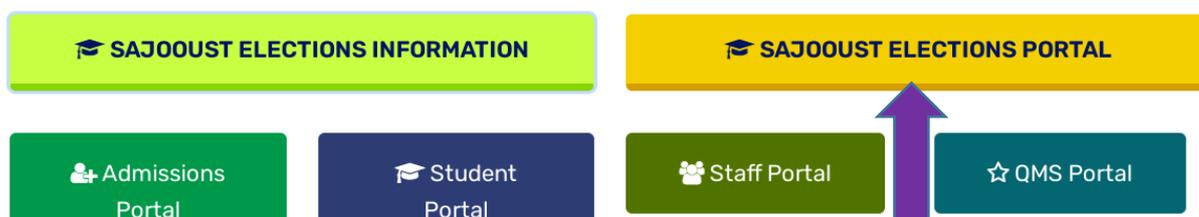

- To demonstrate to the students how to vote in the upcoming online student elections.

General Prerequisite for voter eligibility:

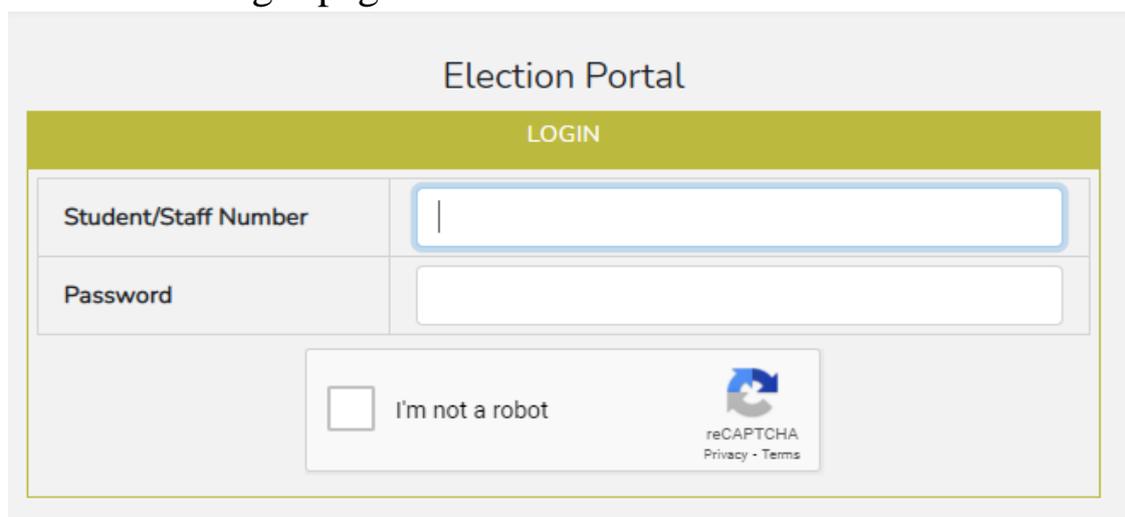

i). You must be a bonafide JOOUST student whose status in the system is Active.

1. How to access the election portal.

- Visit the University website via: www.jooust.ac.ke
- Click on SAJOOUST ELECTIONS PORTAL button

- Or type in the URL: <https://elections.jooust.ac.ke>
- Upon clicking the button or typing the URL, you will be taken to the login page below:

- Use your student portal credentials to login to the election portal. Make sure you click on the “I’m not a robot” button to be able to login.

- vi) If you have forgotten your password, go to the Student portal and click on forgot password to load the window below:

- vii) Enter your student number and click the reset password button.
- viii) The system will generate a password and send to your registered email address
NB: Contact us in case your reset password goes to a wrong email address.
- ix) Upon successful login, you will see a page similar to the one below with a list of all active elections in which you are an eligible voter:

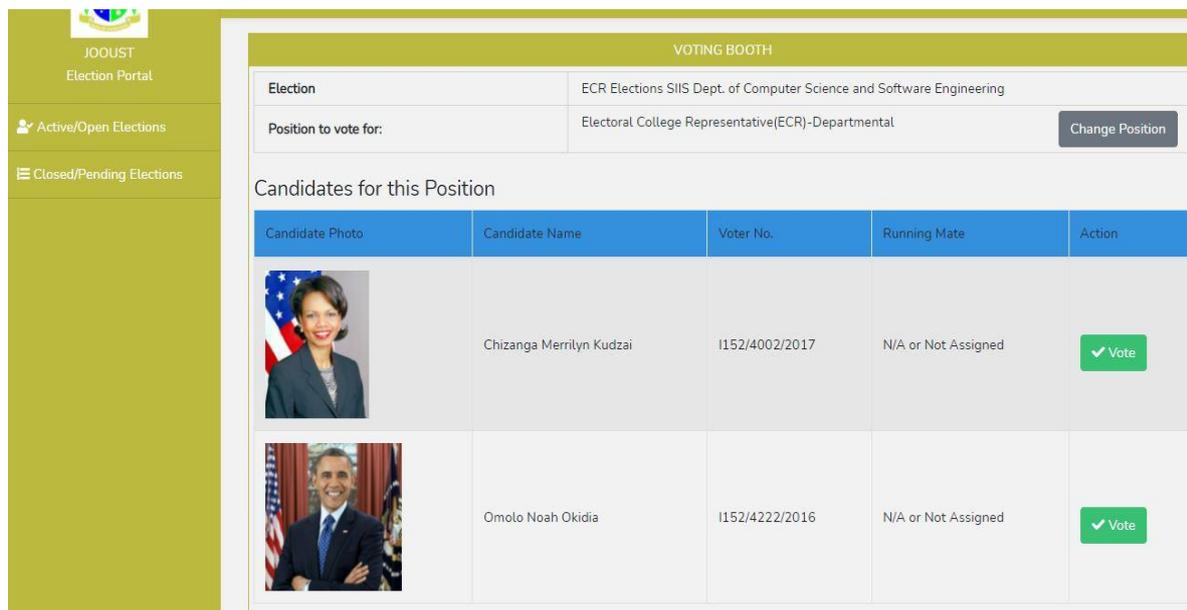

#	Description	Date	Start Time	End Time	Actions
1	ECR Elections SISIS Dept. of Computer Science and Software Engineering	2021-07-20	12:57:00	13:10:00	Vote

2. How to vote:

- i) Click the “Vote” button in (ix) above to take you to the window below:

- ii) Select the position to vote for to display the candidates in that position as below:

- iii) Click the “Vote” button against your preferred candidate, a confirmation message similar to the one below will be displayed.

- iv) Click “OK” to confirm your vote and a message indicating successful voting will be displayed as below:

The screenshot shows the JOOUST Election Portal interface. A green notification banner at the top reads "Yippeell Vote Cast Successfully". Below it, a table titled "Active Election(s) (Total = 1)" contains one entry:

#	Description	Date	Start Time	End Time
1	ECR SllS Dept. Of Comp. Science and Soft. Eng.	2021-07-20	14:00:00	14:05:00

- v) Once you have voted, the position and the candidates automatically disappear to ensure that you can only vote once per position.

3. How to view results.

- i) Click the Closed/Pending Elections button to see the closed election for which you want to view the result as below:

The screenshot shows the "Closed/Pending Elections" section of the portal. A table lists several elections with their status and actions:
