LEARN AFRICA SCHOLARSHIP FOR THE 2020-2021 ACADEMIC YEAR

Mujeres Por Africa (Women for Africa) Foundation has published its application call for the Learn Africa Program. This program is addressed to African female university students who want to do post-graduate training at Spanish universities. This year, given the conditions created by the Covid-19 pandemic which make travel difficult or impossible the courses offered are online.

It's a total of 53 scholarships for official and specific master's degrees offered by 16 universities, which cover studies from different disciplines.

Details of the program including how to apply are available on the foundations website: *https://www.mujeresporafrica.es*.
